

Find Deeper Insights with Art Guidance Cards

Art Guidance Cards and **Inner Guidance Journals** are uniquely designed to deepen self-exploration and enhance imagination.

What are **Art Guidance Cards**?

32 cards with transformational art and thought provoking messages that promote powerful, creative inner shifts. The expressive and transformational art of the **Art Guidance Cards** attracts people of all ages interested in self-discovery, healing, creativity, spirituality, psychology, philosophy and education.

Art Guidance Cards will help you and your clients:

- attain profound, new insight into your life or situation
- find life changing, intuitive answers using inner wisdom
- get unstuck and see new perspectives
- discover joy and fulfillment with life, career and business
- create new solutions based on who you truly are
- open your true potential - emotionally, spiritually and intuitively

Testimonial

“I highly recommend the use of the Art Guidance Cards. The results are immediate, practical, and often profound. Almost every time I have used them it has been an exciting experience for both the client and myself. There have been ‘aha!’ moments as well as ‘wow!’ moments.”

- Sam T. Reimer, Ph.D., R.C.C., Restoration Counseling Services

About Karin Bauer, Creator of **Art Guidance Cards**

Karin Bauer, BSW, RSW is a personal life coach, counselor, writer and artist. She received a Bachelor's Degree in Social Work and graduated from the Coach Training Program at Coach Inc.
